

APOSTOLIC INTERNATIONAL ALLIANCE

OCTOBER 11 - 14, 2023

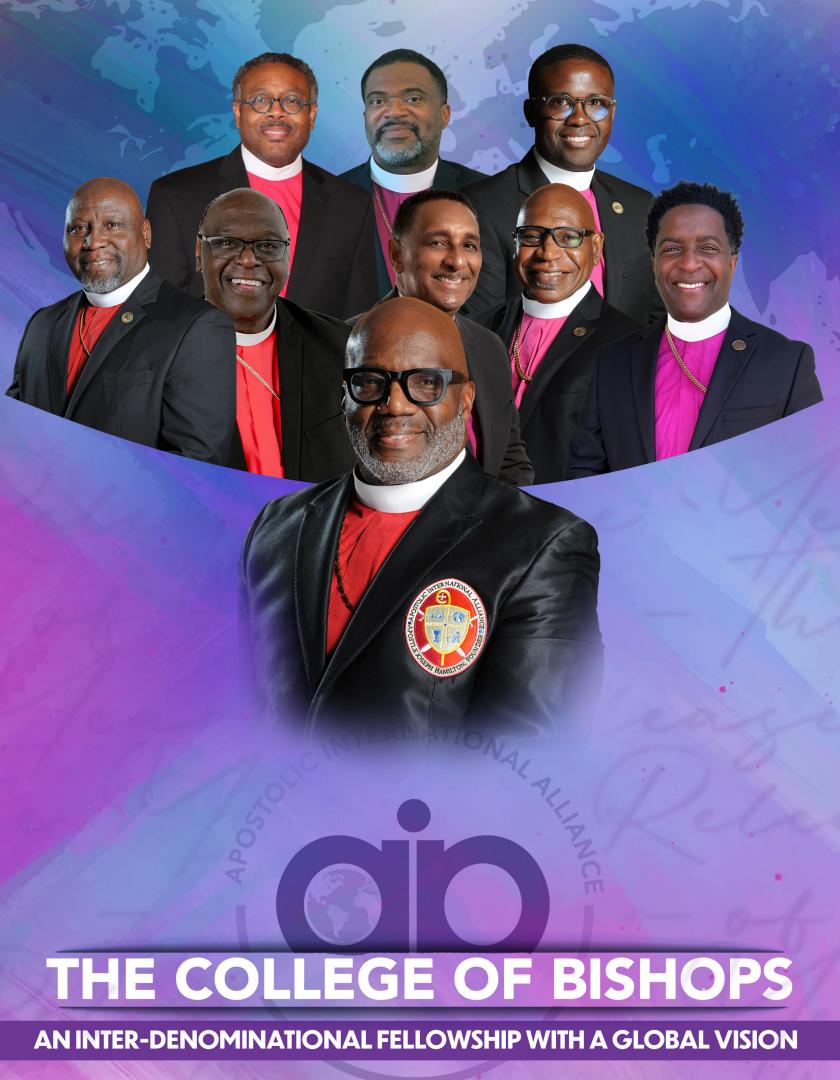

On behalf of Lady Hamilton and myself, we have been anticipating this moment since our last Kingdom Gathering. We celebrate our 2nd year returning back to in person fellowship with the saints.

As we continue to navigate through much uncertainty surrounding the state of our global economy, social injustice, political corruption, and the emergence of Artificial Intelligence; we as Kingdom Citizens celebrate knowing throughout biblical times when the land experience calamity, God's people remain triumphant! We corporately decree and declare "This is the year of INCREASE"! According to Psalms 115:14, The Lord increase you more and more, you and your children.
